

Welcome to March “Reading Gives Us Super Powers” reading month!

We are going to be participating in various activities throughout each week so keep your calendar in a safe place. At the end of each week a colored piece of paper with the week’s Reading Goals will be sent home. The paper **must** be filled out each night and returned to their teacher on Thursday MORNING March 3, 10, 17, and Wednesday MORNING March 23 and 30.

If your child completes the weekly goal, a certificate saying he/she gets to participate in Thursday’s or Friday’s special activity will be sent home Wednesday or Thursday.

If your child reaches all 5 goals he/she will get to enjoy using their super power by throwing water balloons at Mr. Curth and/or their teacher on April 1.

Let the “Super Powers” begin!
