Section 1.2

WITNESSETH

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the children of Mackinaw City Public Schools is their mutual aim and that the character of such education depends predominantly upon the quality and the morale of the teaching service; and

WHEREAS, the members of the teaching profession are particularly qualified to assist in formulation policies and programs designed to improve educational standards; and

WHEREAS, the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965 to bargain with the Association as the representatives of its teaching personnel with respect to hours, wages, terms and conditions of employment; and

WHEREAS, parties, following extended and deliberate professional negotiations, have reached certain understanding which they desire to memorialize;

In consideration of the following mutual covenants, it is hereby agreed as follows:

Section 1.3

RECOGNITION

- A. The Board hereby recognizes the MEA/NEA, as the exclusive bargaining representative, as defined in Section IX of Act 379, Public Acts of 1965, for all the professional personnel, including personnel on tenure, probation, and on per diem appointments, classroom teachers, guidance counselors and librarians. The term “teacher” when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiation unit as above defined and references to male teacher shall include female teachers.

- B. The Board agrees not to negotiate with any teacher’s organization other than the Association for the duration of this Agreement, nothing contained herein shall be construed to prevent any

individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of the Agreement provided that the Association has been given opportunity to be present at such adjustment. However, individuals may not arbitrate grievances.

Section 1.4

PAYROLL DEDUCTIONS

Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board.

Section 1.5

SCHOOL CALENDAR

- A. The parties agree that many aspects of the school calendar, except the first day of school and instructional hours, are negotiable; and further agree that the school calendar shall be set forth in Appendix A. Any deviation shall be by mutual written consent.
- B. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions as defined by the city, county or state health authorities, may be rescheduled at the discretion of the Board of Education to insure that there are a minimum of hours of actual student instruction to meet state requirements. Teachers will receive their regular pay for days which are cancelled but shall work on any rescheduled days with no additional compensation. The actual dates on which any makeup days will be held will be negotiated by two designated representatives of the Association and two designated representatives of the Board of Education. Any agreement reached by such representatives will be binding on the Association without a formal ratification vote. In the event an agreement cannot be reached regarding the dates on which the makeup days will be held by March 15, the Board of Education shall establish such days.

Section 1.6

PROFESSIONAL GRIEVANCE PROCEDURE

- A. A claim by a teacher or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement may be processed as a grievance.
- B. In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with his/her building principal either personally or accompanied by his/her Association representative. The grievance must be filed within ten (10) work days of the

violation, misinterpretation or misapplication, or within ten (10) work days of the discovery thereof.

- C. If, as a result of the informal discussion with the building principal, a grievance still exists, the teacher may invoke the formal grievance procedure through the Association on a grievance form. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one school building, it may be filed with the superintendent or a representative designated by him/her.
- D. Within five (5) work days of receipt of the grievance, the principal shall meet with the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within five (5) work days of such meeting and shall furnish a copy to the Association.
- E. If the Association is not satisfied with the disposition of the grievance or if no disposition has been made within five (5) work days of such meeting (or ten (10) work days from the date of filing, whichever shall be later), the grievance shall be transmitted to the superintendent. Within ten (10) work days, the superintendent or his/her designee shall meet with the Association on the grievance and shall indicate his/her disposition of the grievance in writing within five (5) work days of such meeting and shall furnish a copy to the Association.
- F. If the Association is not satisfied with the disposition of the grievance by the superintendent or his designee, or if no disposition has been made within five (5) work days of such meeting (or ten (10) work days from the date of filing, whichever shall be later), the grievance shall be transmitted to the Board by filing a written copy thereof with the secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, shall meet with the Association on the grievance. Disposition of the grievance in writing by the Board shall be made no later than ten (10) work days, and a copy of disposition shall be furnished to the Association.
- G. If the Association is not satisfied with the disposition of the grievance by the Board or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The arbitration shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.
- H. The fees and expenses of the arbitrator shall be shared equally by the parties.
- I. The time limits provided in this article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the superintendent shall use his best efforts to process such grievance prior to the end of the school term or as soon

thereafter as possible. Work days are defined as school days during the school year and Monday through Friday, except holidays during the summer.

- J. Notwithstanding the expiration of this Agreement, any claim or grievance arising hereunder may be processed through the grievance procedure until resolution.
- K. Paid leave shall be provided to any employee of the district who is called to testify at an arbitration hearing.
- L. In the event that a grievance is filed by a bargaining unit member of the Association that is of such a nature that expediency in resolution is imperative or the grievance is of such a nature that a resolution could not be achieved by following the normal procedures, the parties may, by mutual consent, send the grievance directly to binding arbitration.

Section 1.7

It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- D. This authority is a prohibited subject of bargaining under the Public Employment Relations Act (PERA).

**SECTION TWO
EMPLOYEE RELATIONSHIPS**

Section 2.1

TEACHERS RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the board shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation or other concerted activities for mutual aid and protection or to refrain from such activity. The Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment or the teacher's nonparticipation in Association activities.

- B. The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement, and the Board agrees to be bound by any lawful order or award thereof.

- C. The Board agrees to furnish to the Association in response to reasonable requests from time to time, public information concerning the financial resources of the district, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with the information which may be necessary for the Association to process any grievance or complaint. The Association shall reimburse the district in accordance with FOIA.

- D. A teacher will have the right to review the contents of all records, excluding initial references, of the district pertaining to said teacher, originating after initial employment and to have a representative of the Association accompany him/her in such review.

Complaints against the teacher shall be put in writing with the names of the complainants, administrative action taken, and remedy clearly stated. The teacher may submit a written notation regarding any material including complaints, and the same shall be attached to the file copy of the material in question within ten (10) days.

If the material to be placed in the file is inappropriate or in error, the material will be corrected or expunged from the file, whichever is appropriate. When a teacher is requested to sign material placed in the file, such signature shall be understood to indicate his/her awareness of the material but shall not be interpreted to mean agreement with the content of the material. All recommendations, written or oral, shall be based solely on the contents of the teacher's personnel file.

- F. The Board agrees that it will in no way discriminate against or between employees covered by this agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, marital status, physical characteristics, or place of residence.
- G. A bargaining unit member shall be entitled to have present a representative of the Association during any meeting in which they feel their presence may prove helpful. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present, provided it does not delay the meeting by more than one school day. Should action occur, as a result of a given meeting, the teacher shall be advised immediately of said possibility and be advised of the right to representation under this provision of the agreement.
- H. The Board further agrees that all employment records regarding medical, counseling or psychological records shall not be released to third parties absent the written consent of the employee or as required by law. The Board further agrees that in the event a request is made by a third party for such records, the Board shall promptly notify the employee and the Association.
- I. The provisions of this article shall not prevent the Association from having access to any employment records reasonably related to its duties as the exclusive bargaining representative.

Section 2.2

TEACHER ASSIGNMENTS

Any assignments in addition to the normal teaching schedule during the regular school year, including adult education courses, driver education, and extra duties enumerated in Section 5.3 – Extra Curricular and summer school courses shall not be obligatory, but shall be with the consent of the teacher.

The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance.

Revisions and updates of the seniority list shall also be published and posted as they are made. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the Association. Objections to the seniority list shall be filed within ten (10) days. Thereafter, the list shall be final and conclusive.

- G. A laid off teacher may continue his/her health, dental and life insurance benefits by paying monthly the normal per subscriber group rate premium for such benefits to the board.
